Cert-In Empanelled Organization

ID # CDAC/14/ISS-WA-0548/06/25/2327

Security Audit Certificate

Application Name Website of Ministry of Steel

Test URL <https://steel.fadsan.co.in/>

Test dates **Stage 1:** 26-03-2025 To 27-03-2025
Final Stage: 05-06-2025 To 06-06-2025

Conclusion The Web Application has undergone security testing as per OWASP and SANS Standard. Website may be considered safe for hosting and deployment with the below recommendations followed.

Production URL <https://steel.gov.in>

Recommendations

1. Website may be considered safe for hosting with read only permissions.
2. The production server should have operating system and web server hardening done and ensure security patches regularly.
3. Entire website should be hosted over valid HTTPS.
4. Recommended to continue the implemented custom error pages to prevent information leakage through error pages.
5. Recommended to ensure upgrade of the Drupal CMS to latest Stable version.
6. Audit Trails, Sanitized logging and regular monitoring of the logs is recommended to implement and to be maintained for at least one year.

Note:

- The certification is valid till no changes are done on the application's dynamic content or one year from the date of issue whichever is earlier.
- The Certificate is generated based on the enclosed report with reference number, CDAC/14/ISS-WA-RP-0548/06/25/2327.
- The Production URL is mentioned for reference purpose only. No testing has been carried out on Production URL.

Date of Issue: 10.06.2025

*for Centre for Development of Advanced Computing,
Hyderabad*
