Dated: 3rd October, 2025

Respected Ma'am/Sir

Your kind attention is invited to the selection meetings held by Public Enterprises Selection Board (PESB) for Board level posts in various Public Sector Undertakings. During such meetings, the PESB, inter-alia, peruses the vigilance profile of the shortlisted candidates for the last 10 years. For furnishing requisite information to PESB, Ministries/ Departments/ PSUs have already nominated Nodal Officers. However, in recent past, it has been observed that in certain cases the Nodal Officers are sending vigilance profile of the candidates selected for the interview only for the period the candidate is working under their Ministry/Department/PSU, which sometimes does not cover the mandatory period of 10 years, as required in the format prescribed by CVC. The lack of vigilance profile for 10 years not only causes inconvenience to the PESB but may also render a candidate to become ineligible from attending the interview during the selection meeting.

2. I would, therefore, request you to direct the Nodal Officer of your Ministry/Department/PSU to ensure that vigilance profile of the candidate for the 10 years in the prescribed format duly signed by HoD or the CVO is furnished two days before the selection meeting. The vigilance profile may also be uploaded on the PESB's website. This may avoid any possibility of disallowing such candidate from attending the interview by Board.

With kind regards .

Yours Sincerely,

(Dinesh Kumar Verma)
