

GOVERNMENT OF INDIA  
MINISTRY OF STEEL  
  
**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 2385**  
**FOR ANSWER ON 19.12.2025**

**SALEM STEEL PLANT**

2385. SHRI S.R. SIVALINGAM:

Will the Minister of STEEL be pleased to state:

(a) whether Government proposes to provide targeted investment in Salem Steel Plant (SSP) for upgrading to speciality and stainless-steel products, improve technological efficiency, enhance product diversification and strengthen long-term competitiveness;

(b) if so, the details of steps that are proposed to be taken by Government in this regard; and

(c) whether Government has formulated or plans to formulate a revival roadmap for SSP addressing financial restructuring, market expansion and operational reforms, and if so, the details of such a roadmap proposed by Government?

**ANSWER**

THE MINISTER OF STATE IN THE            (SHRI BHUPATHIRAJU SRINIVASA VARMA)  
MINISTRY OF STEEL

(a)to(c):        Several measures have been undertaken at Salem Steel Plant (SSP), a unit of Steel Authority of India Limited(SAIL) aimed at improving operational efficiency and long-term sustainability which includes improving capacity utilization, enhancing operational efficiency, optimizing raw material and power consumption, and rationalizing the product mix with emphasis on value-added stainless steel products.
