2. The Grievance Committee constituted under DMI&SP policy under the chairmanship of Shri Syedain Abbasi, discussed the issues raised by GAIL.
3. Representative from GAIL informed that domestic manufactures have quoted high rates of coated line pipes against tender no. 8000011615. The quoted prices of L1 bidder is on much higher side as compared to lowest prices discovered from previous tender for supply of Bare/ Coating/Coated Steel line Pipes of API grade for Jagdishpur Haldia Bokaro Dharma Steel Dharma Pipe Line Project. This has implication on project cost.
4. The committee was of the view that MECON and ERU should examine the International price movement of HRC from reputed steel indices & analyse whether there has been any significant price hike in new tenders. Results of the same could then be examined by the Standing Committee.

The meeting ended with vote of thanks to chair.
