May, 2019

VISION

Making Indian steel sector more efficient, competitive and capable of producing quality steel including value added steel.

MISSION

To develop policies, schemes and initiatives to meet the anticipated demand of 240 million tons of steel and consequentially increase per capita consumption to 160 Kgs by 2030-31. This will be achieved by facilitating competitive, efficient, technology intensive, environment friendly steel industry adhering to global best safety, productivity and quality standards.

Main Services/Transactions

Sl. No.	Services / Transaction	Weight %	Responsible Person (Designation)	e-mail	Phone No.	Process	Document Required	Fees		
								Category	Mode	Amount
1.	Processing of applications for assistance/ release of grants for R&D projects in the steel sector.	15	S/Shri Parmjeet Singh, Additional Industrial Adviser	parmjeet.singh@gov.in	23061064 23061490	(i) Inviting applications seeking grant for R&D in the iron and steel sector. (ii) Submission of project proposal as per prescribed proforma (iii) Examination of the project proposal at Ministry's level. (iv) Evaluation by the Evaluation group oin consultation with domain experts. (v) Final approval of the R&D project by the Project Approval & Monitoring Committee/ Empowered	(i) Application as per MoS guidelines in Eight copies (ii) Proforma invoice of the equipment. (iii) Letter from the collaborating industries etc with their commitment in cash and kind. (iv) Progress reports and utilization certificates in the prescribed format (v) Project Completion Report and final utilization certificates.	Not applicable	Not applicable	Not applicable
