

# Steel Ministry and its PSUs Observe Swachhata Pakhwada

Posted On: 03 APR 2018 6:03PM by PIB Delhi

Swachhata pledge being administered to the employees of the Ministry of Steel

Ministry of Steel and its Public Sector Undertakings observed Swachhata Pakhwada from March 16-31, 2018. Employees in Udyog Bhavan office of the Ministry and in various Plants/Units of PSUs spread across the country participated in various activities organized during the fortnight. In Ministry of Steel, the event was launched by administering Swachhata pledge to the employees of the Ministry on March 16, 2018. During the fortnight, Cleanliness inspection of all the Sections was conducted by Senior Officers. An Open House to seek ideas, suggestions and comments on the subject of Swachhata was organized in which employees of this Ministry participated actively. A workshop on E-office and recording, upkeep and streamlining of files was also organized.

The Ministry has asked the Plants and units of the PSUs to carry out different activities including displaying Swachhata message on their websites, adhering to stipulated Swachhata parameters, initiating rating of different mills and units on Swachhata parameters and sharing major activities through YouTube/Instagram/FB/Twitter and mainstream media/Press Conference for wider dissemination.

Ministry of Steel ranks among the top 10 Ministries/Departments of Government of India, in the implementation of Swachhata related activities. Ministry of Drinking Water and Sanitation, which is the nodal Ministry for overseeing Swachhata related activities in the Central Government, has congratulated the Ministry and its PSUs for taking forward the goal of Swachh Bharat as envisioned by the Prime Minister.
