<b>1</b>	SQ No.121 04.03.20	Carbon Dioxide Emission released by steel industry	DS(SR)  ID 1 Division	Supplementary reply  Hon'ble Minister inter-alia stated as under: Sir, it is not related to this question. But I will try and answer the Hon. Member because I know it is of interest to him. I will, certainly, try and do that. The SSP is certainly, slated for disinvestment. DIPAM of the Finance Minister and my Ministry of Steel, we both are working together on this. We have tried to take our investors to do due diligence and visit the plant, but unfortunately, I regret to inform the House that the State Government has not been able to create the security environment for the due diligence by the investors to take place. However, we have said that the financial bids should be submitted. I believe, don't hold me to this, but I think some-time in January, I stand to be corrected. I will revert to you.	<b>New Assurances</b> Received from 26.12.2022  Since all Disinvestment matters are being dealt with by DIPAM, the Assurance has been transferred to DIPAM on 06.1.2023. Acceptance is awaited.
