ANSWER

THE MINISTER OF STATE FOR STEEL

(SHRI VISHNU DEO SAI)

(a) Yes, Madam. The Government had imposed anti-dumping duty ranging from 4.58% to 57.39% of landed value on Cold Rolled Flat Products of Stainless Steel from China, Korea, European Union, South Africa, Taiwan, Thailand and USA on 17.04.2014.

(b) Anti-dumping duty on the above items were further extended by five more years as per Government notification dated 11.12.2015. After a sunset review it was found that:-

- (i) there is continued dumping of these goods from above mentioned countries/territories though the volume of imports has declined;
- (ii) the performance of the domestic industry has deteriorated in the current injury period due to the impact of the dumped imports from these countries; and
- (iii) the dumping is likely to continue and the performance of the domestic industry is likely to deteriorate, if the anti-dumping duty is revoked.

(c)&(d): Anti-dumping duty is imposed on the basis of margin of dumping which can vary across countries, producers or exporters. Accordingly, there are variable rates of anti-dumping duty on different exporting countries, producers or exporters. Details of country-wise duty imposed are given below:-

S. No.	Country	ADD as % of landed value
1	People's Republic of China	57.39%
2	Korea RP	5.39% to 13.44%
3	Chinese Taipei	15.93%

5	Thailand	4.58% to 5.39%
6	USA	9.47%
7	European Union	29.41% to 52.56%
