ANSWER

THE MINISTER OF STATE FOR STEEL

(SHRI VISHNU DEO SAI)

(a)&(b): The Government has accorded 'in-principle' approval of strategic disinvestment of Visvesvaraya Iron and Steel Plant (VISL), Bhadravati. The VISL has been consistently making losses for the last 10 years.

(c)&(d): SAIL is continually investing in VISL, Bhadravati for overall growth and modernisation of the Plant. SAIL has installed a new Blast Furnace, a bloom caster with 1,25,000 tonnes annual capacity and one 30 tonnes New Reheating Furnace for Primary Mill. SAIL has already invested around Rs. 400 crore in the Plant.
