

**LOK SABHA**  
**UNSTARRED QUESTION NO.75**  
**FOR ANSWER ON 24/11/2014**

**STEEL UNITS**

75. SHRI JANARDAN SINGH SIGRIWAL:  
KUMARI SHOBHA KARANDLAJE:  
DR. VIRENDRA KUMAR:  
SHRI P. NAGARAJAN:  
SHRIMATI JYOTI DHURVE:  
SHRI GODSE HEMANT TUKARAM:  
DR. A. SAMPATH:

Will the Minister of STEEL be pleased to state:

- (a) the number of public and private sector companies producing steel in the country, State-wise;
- (b) the number of MoU signed between the Government and private companies for setting up of steel plants in the country during the last three years, year-wise, State-wise and company-wise;
- (c) whether the production of iron-ore and steel has decreased during the last three years and if so, the reasons therefor;
- (d) whether the Government proposes any plans to boost the steel industry and if so, the details thereof; and
- (e) the details of the net production of iron-ore and per capita consumption of steel in the country during the last three years, year-wise?

**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF  
STEEL AND MINES

(SHRI VISHNU DEO SAI)

- (a) Data on the number of public and private sector companies producing steel in the country, state-wise is in **Annexure**.
- (b) Steel is a deregulated sector. The Government does not play a direct role in setting up of steel plants.
- (c) Data on domestic production of iron ore and crude steel during the last three years is given below. The data shows a steady increase in crude steel production in the country during this period and though iron ore production has declined in 2012-13 over 2011-12, it has risen in 2013-14 over 2012-13. The decline in iron ore production in 2012-13 may be attributed to the restrictions on mining operations (including exports) in the country in major producing states like Karnataka and Goa.

<b>Iron Ore and Crude Steel Production (million tonnes)</b>			
<b>Production Qty</b>	<b>2011-12</b>	<b>2012-13</b>	<b>2013-14</b>
Iron ore <sup>(1)</sup>	169	136	151
Crude steel <sup>(2)</sup>	74.29	78.42	81.69

Contd.....2/-

- (d) The Government has taken the following steps to boost the steel industry:
- i) An Inter Ministerial Group (IMG) has been set up in the Ministry of Steel for effective coordination and expediting implementation of various investment projects in the steel sector.
  - (ii) A Project Monitoring Group (PMG) has been constituted under the Cabinet Secretariat to fast track various clearances/resolution of issues delaying the investments of Rs.1000 crores or more in the manufacturing/infrastructure sector including the steel sector.
  - (iii) To increase domestic value addition and improve iron ore availability for domestic steel industry, duty on export of iron ore has been increased to 30%. Recently, the Government has imposed export duty @ 5% ad-valorem on export of iron ore pellets.
  - (iv) Rates of custom duty on stainless steel flat products have been enhanced from 5% to 7.5% in the Union Budget for 2014-15.
- (e) Data on production, export, net production after export of iron ore and per capita consumption of total finished steel in the country is given below:-

ITEM	UNIT	2011-12	2012-13	2013-14
A. Production of iron ore <sup>(1)</sup>	Million Tonnes	169	136	151
B. Export of iron ore <sup>(2)</sup>	Million Tonnes	47	18	16
C. Net Production after export	Million Tonnes	122	118	135
D. Per capita consumption of total finished steel <sup>(3)</sup>	Kg	58.2	59.3	59.2
