

GOVERNMENT OF INDIA  
MINISTRY OF STEEL

**RAJYA SABHA**  
**UNSTARRED QUESTION NO.2202**  
FOR ANSWER ON 16/03/2016

**STATUS OF SAIL DEPOT IN MP**

2202. DR. SATYANARAYAN JATIYA:

Will the Minister of STEEL be pleased to state the present status of construction of depot meant for manufacturing various steel products and making them available to consumers under SAIL in Madhya Pradesh and the action plan to start marketing services?

**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI VISHNU DEO SAI)

Two Steel Processing Units (SPUs), for conversion of semi finished steel to TMT bars have been set up on Joint Venture basis by SAIL at Gwalior and Ujjain in Madhya Pradesh. Commercial production has started in Gwalior in January, 2016 and the SPU at Ujjain is likely to be completed by the middle of 2017. The TMT bars will be marketed through SAIL's marketing network under its Central Marketing Organization.
